Printable bullet journal layout templates.

First, get out of the habit of trying to clean your entire house in a day. For most people, breaking a habit isn't as simple as making a mental commitment and sticking to it. Your goals don't have to be based on a month. Keep your plan realistic in order to make the most of this layout. @faith.blossomedbujo / Instagram Travelling can be a spontaneous experience, but most of the time, a little bit of planning goes a long way. Most of them are much easier to create than they look, once you know how to do it. Continue to 8 of 13 below. When you're working hard to take that trip abroad (and you're reminded of the trip in your journal), you might be less likely to buy that expensive shirt you don't need. Bullet Journal Update from Boho Berry Continue to 7 of 13 below. Instead, let these layouts inspire you to work on your penmanship and your planning. Boho Berry When you're working out of one or two bank accounts, it's easy to spend money that is actually designated for something else. Page Flutter Bullet journals don't have to be complicated. Create a layout of all the places you would love to see, things you'd like to do and people you'd like to visit along the way. Continue to 12 of 13 below. Use a small ruler or a straight edge and a quality pen to tackle this monthly setup. Monthly Bullet Journal Layouts from Page Flutter Continue to 3 of 13 below. Also, who doesn't need a phone or social media detox every now and then? Continue to 10 of 13 below. Although, some of us are better at keeping a tidy home than others. Kate Louise If you're a non-artist and not very creative, don't let these bullet journal ideas discourage you. @journalrella / Instagram Goal layouts are a great way to practice some more refined lettering and doodling. There are plenty of smartphone apps that will remind you of things like to drink more water, but some might argue that the act of taking pen to paper is a more effective method. Continue to 6 of 13 below. Perhaps you notice a certain color (i.e. anxiousness) showing up at the same time each month. Tracking moods throughout the month, especially for a woman, is a great way to see if there are patterns. Blue Sky Design / Pinterest Keeping track of your utility bills is a helpful way to monitor spending. Maybe it's cyclical. This bullet journal layout creates different buckets for your money based on bigger ticket items. @grey.and.copper / Instagram Anyone trying to lose weight or maintain a healthier lifestyle usually has some poor eating habits they need to break. Breaking down your household cleaning routine into stages will make household chores seem more manageable. Having some form of accountability as well as a visual reminder is a really helpful way to stay on task. When you're just getting started, experiment with different monthly layouts until you find one that works best for your lifestyle. @archerandolive / Instagram Habit trackers have become really popular primarily because of how helpful visuals are when breaking or creating new habits. Simple Weekly Layout Template from Kate Louise Continue to 2 of 13 below. One might argue that a phone or Facebook app can remind you of birthdays and holidays, but the act of writing out the dates could help you remember them. @my.blue.sky.design / Instagram Who doesn't love a clean house? Yearly and even lifetime goal pages are a great way to keep track of how your ambitions evolve. Continue to 9 of 13 below. Keeping this chart can help you and your doctor get to the bottom of negative emotions as well as help you honor the positive ones. Continue to 11 of 13 below. Next, pick one of your favorite inspirational quotes to go in the center. @nicoles.journal / Instagram Once you get your basic layouts perfected, step out of your comfort zone and work on some more advanced doodles and lettering. For example, if you see a significant and unexplained spike in your water bill one month, check to see if you have any water leaks. Continue to 4 of 13 below. Lastly, pick some simple floral or geometric doodles to accent your circles. All you need is a little practice and patience to master this craft. Honing in on this exercise in these moments will have the most impact, but truthfully, anytime is a good time to practice being thankful. Continue to 13 of 13 below. There are tons of inspiration pages and tutorials out there that will show you exactly how to form certain shapes and symbols. By keeping a page in your journal, it's easier to look back and make estimates for how much you'll have to spend in the future since these bills tend to fluctuate with the seasons. @narcoticfairy / Instagram Moods come and go, and it's important to acknowledge and embrace them without being too hard on yourself. Then, figure out which tasks should be done when and chart them out. This layout is straightforward with minimal bells and whistles—perfect for journalers of all skill levels. Continue to 5 of 13 below. Keep it really simple. @bujo.snowberry / Instagram This date layout doesn't take much time to complete, but it is one that can be looked back at many times throughout the year. Testy / Pinterest Showing gratitude is a recommended way to keep our mental health in check because it brings our awareness to details of our life that promote a positive mood. It might seem easy to rattle off a list of things we are grateful for when we are happy, but the challenge is to create layouts like this when we are stressed out and not the best version of ourselves. Start your page with three semi-circles using a compass. You'll also be able to spot trends much more readily this way.
